ErectaStep's Industrial Series line of metal stairs and industrial maintenance work platforms feature modular, lightweight aluminum components that are as easy to reconfigure as they are to assemble. At METALSOURCE, we can receive an inquiry for Erectastep products and provide a quote with 3D renderings within minutes. Orders can ship the same day and be installed the next—in hours, not days. Assembly and installation can be done by internal personnel, just another value-added benefit.
